

The Greenway Club, LLC

Guest Policy

Purpose: The purpose of the guest policy and pricing are to provide the opportunity for members to bring friends and family to enjoy the pools while preventing overcrowding by guests. To respect the value of Club membership, guest passes will not be accepted as a means of bypassing membership.

Payment and Guest Sign In: Cash is not accepted at the gate for guest fee payments. All guest passes must be pre-purchased by a Club member. Members may also sign for guests, at the gate, to be charged to the member's account.

Who is a Guest: Everyone at the Club facility who is not listed on a membership is considered a guest and must be signed in as such. There is no charge for guests not yet of walking age. Guests must be signed in regardless of age, length of stay, intent to swim, or relationship to the member.

Length of Stay: Guest passes are good for the entire day. Guests may leave and return the same day with the member. The member must remain at the pool with the guest for the duration of the guest's stay.

Non-refundable: Guest passes are non-refundable, but are valid all day. Please plan accordingly when the weather, in your judgment, is uncertain.

3 trip limit: Because guest passes are not intended to be used as an alternative to membership, non-members living within Raleigh and Wake Forest are welcome to use the facility as a guest of a member up to 3 times per household. Local guests interested in greater use of the Club may inquire about obtaining a Club membership.

Childcare providers: Members may have their children cared for by a non-member without a guest fee as long as the adult member is not present at the pool. Adult member is **defined by 16 years and older**. If the adult member is present at the pool, the child care provider is a guest. The child care provider and member may overlap their time at the pool by 20 minutes before the child care provider becomes a guest and is subject to a guest fee. This policy covers one childcare provider with the exception of grandparents. Both grandparents may be signed in free of charge if acting as childcare provider for a member child. Guests that have not turned 16 years old, do not qualify as "adult supervision or childcare provider".

Daily guest limit: Members may bring up to 5 guests or 1 family, per membership, per day. Members who wish to bring more than 5 guests or 1 family may reserve the 'Park-at-the-Pool' party area. There is a limit of 20 non-member guests, unless an exception is made by the Club Manager, based on expected attendance levels at the facility. Larger parties may be held after-hours by renting the facility.

Holidays: No local (Raleigh & Wake Forest) guests during these times. Driver's license required at check in.

Live Music Nights: After 4pm special guest pass is required. Members are allowed to purchase up to 8 Live Music guest passes per season. Maximum of 4 guests allowed at a Live Music Night Event.

Club Rules: Members are responsible for their guests' awareness of and adherence to all Club rules.

Changes: This policy is subject to change to without notice. Please review website for current information.
